Remarks

Move right in and start enjoying the good life in Mission Royale. This thoughtfully upgraded 2-bedroom, 2-bath home is being sold furnished and includes the golf cart, making it truly turnkey from day one. The private front courtyard with travertine tile creates a warm welcome and a perfect spot to unwind, while inside, tile flooring throughout the main living areas adds style and easy maintenance. The kitchen is both polished and practical with upgraded granite countertops and all new matching stainless steel appliances. The spacious primary suite offers a relaxing retreat with a charming window seat, roll-down window coverings, dual vanities, walk-in shower, and oversized walk-in closet. Out back, the home backs to a peaceful common area and walking path for added privacy and open views. The garage is equally well equipped with epoxy floors, built-in cabinets, and a service entry door. All set within Mission Royale's active 55+ resort community, where amenities and leisure are part of everyday living.
